KEY NIGHT was very smooth and successful this year. There were minimal lines waiting for the keys. This is a special tribute to Chapter President, Frank Lagasse for his overall organization. To Bobby Stubbs, Glenn Stollings and John Stavely, who started selling keys around 330PM vice 5PM as scheduled. Thanks also need to go out to Johnny Goebel, who handled passing out number tickets and forms to members as they arrived; Al Cocola for filling in anywhere he was needed; and to Barry Shindler and Brian Koller for conducting multiple Range Orientation classes. Let's not forget all the people that helped in the kitchen area preparing the food and keeping those lines moving as well. All-in-all, a VERY successful night.

Now onto a bit of a sour note. It seems many members have a misconception as to when they are to pay for using the range. Remember, YOU ARE YOUR OWN RANGEMASTER!! In order to be legal, one must pay the required fees BEFORE going to the range to shoot, NOT AFTER!! If you plan to shoot, the first stop you should be making is to the duck box by our front door. Remember, this is one of our range rules.

FYI: Ed Whitner and John Molinari will be handling reloading supplies out of the store.

DON'T FORGET: The Chapter will be raffling the Taurus Judge. This is a unique pistol in that it can shoot 45 or 410 ammunitions or a combination of both. A great piece for your collection or for home protection. If you didn't get your ticket at Key Night don't forget to purchase them at our February meeting. This is already one HOT ticket.

We also want to give a bit of acknowledgement to our range sponsors. Looking into purchasing a boat or a vehicle to pull your RV or boat trailer to the lake, contact the Anderson Brothers Bank for your loan. They have competitive rates. Wanting that new rifle or pistol to bring out to Horry Chapter's ranges to shoot. Keep Rivertown Gun Depot at 1301-B HWY 501 in Conway in mind. They have an excellent array of guns, ammunition and bow and arrows in stock. Let them know you're a member of the Horry Chapter of Wild Life Action. We also can't forget our Berm#1 sponsors, Frank and Betty Pate. Thank you to all our sponsors.

Our Chapter Rules have been revised and consolidated. If you were not able to attend January's meeting and have not received your copy, you can obtain one at our next meeting or by going to our website at <http://horrychapterwildlifeaction.org/> to get one. Everyone should review these updates.

Frank announced at our meeting that there will be a “General Cleanup” day at the Chapter on April 22 from 2-6 PM. This will be the first of two work days that are scheduled this year. Please put this important date on your calendar. Remember, this is your chapter. The more people we get out the more fun it will be for all.

The Board is looking into getting quotes and purchasing causality insurance for our buildings. If you are an agent, contact Frank Lagasse to make arrangements to check out the property for a quote.
